Overview

Medico-Legal Essentials is a Vision CME Regularly Scheduled Series, addressing the unfamiliar legal system as well as its cultures, rules, and impacts to physicians. The negative impacts of lawsuits can be overwhelming and lead to decreased physician confidence, physician burnout, and attrition.

Presentations will include previous and current experiences in the medico-legal systems from the point of view of the defendant and/or expert witnesses whose specialties align with those of the learners.

Session Objectives

At the conclusion of this session, participants should have an increased knowledge of and confidence in their dealings with the medico-legal systems.

Presenters are announced prior to each conference
